GAUGE:

11 sts = about 4 in. (10 cm) in Garter st (k every row).

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

kfb (knit into front and then back)
An increase worked as follows:
1. Knit the next st through the front loop, but do not remove the st from your left hand needle.
2. Knit the same st once more, this time inserting your needle through the back loop of the st. You will have created 2 loops (sts) on your right hand needle.
3. Drop the st from your left hand needle – you have increased 1 st.
yo (yarn over)
An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:
1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.

NOTES:

1. Shawl is worked in one piece in an easy eyelet pattern, with Garter st (k every row) edges.
2. The markers placed on Row 5 will help you keep your place. After Row 5, always slip markers as you come to them.
3. Shawl begins at center back neck and is shaped by working yarn over (yo) increases.
4. A yarn over creates a new loop on your needle and is worked by wrapping the yarn around your right hand needle. Do not use an existing st to make a yarn over. The finished yarn over will leave an open space (an eyelet) in your knitting – that is part of this design.
5. A series of yarn overs and k2togs on Row 51 creates the eyelet pattern.
6. A circular needle is used to accommodate the large number of sts. Work back and forth on circular needle as if working on straight needles.
