BE SURE TO CHECK YOUR GAUGE.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to match the gauge, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

## STITCH EXPLANATION

**V-st** (Hdc, ch 1, hdc) in indicated st or sp.

## NOTES

1. Hat Band is worked back and forth in rows then last row is joined to first row to make a ring. First rnd of Hat is worked along one side of ring.
2. When instructed to drop a color, remove the hook from the loop. You will place the loop back on the hook later. To ensure that the loop does not unravel, enlarge it or place it on a stitch marker or safety pin until next needed.
