GAUGE:

1 ripple = about 4 in. (10 cm) measured from peak to peak.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

FINISHING

Outside Edging

From RS, join yarn with a sl st at corner, so that you are ready to work across one long side edge of Shrug.

Row 1: Ch 1, work sc evenly across side edge – we worked about 170 sc, but you should work any number of sc to make a smooth edge.

Row 2: Ch 3 (counts as first dc), turn, dc in next st and in each st across.

Fasten off.

Rep outside edging across opposite side edge.

Armhole Edging

From RS, join yarn with a sl st at one corner of either armhole.

Rnd 1: Ch 1, work sc evenly spaced around armhole edge; join with sl st in first sc.

Rnd 2: Ch 3 (counts as first dc), turn, dc in next st and in each st to end of rnd; join with sl st in top of beg ch.

Fasten off.

Rep edging on opposite armhole.

Fringe

Cut 3 strands of yarn, each about 13 in. (33 cm) long. Hold strands together and fold in half. With crochet hook, draw the fold through edge of Shrug, forming a loop. Pull ends of fringe through this loop. Pull to tighten.

Make 31 fringes across each end of Shrug.

Trim fringe ends.

Weave in ends.
