GAUGE:

9 sts + 12 rows = 4 in. (10 cm) in Stockinette st (k on RS, p on WS).

Multiple stitch patterns are used on the Afghan, but work your swatch in Stockinette st. When you match the gauge given, the gauge of your stitch patterns should work as well.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Fringe

Note: The fringe on this Afghan is dramatically long. Make fringe length as desired.

For each fringe, cut 4 strands of yarn, each 40 in. (101.5 cm) long. Hold the 4 strands together and fold in half. With crochet hook, draw fold through edge of Afghan, forming a loop. Pull ends of fringe through this loop. Pull to tighten. Make fringe evenly spaced along each short side of Afghan. Make fringe along edges of Block III as shown on diagram.
