GAUGE:

17 dc + 8 rows = about 4 in. (10 cm).

Granny Square = about 3 3/4 x 3 3/4 in. (9.5 x 9.5 cm).

When you match the [gauge](#) in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

[Making a Gauge Swatch](#)

STITCH EXPLANATION:

dc2tog (dc 2 sts together) (Yarn over, insert hook in next st and draw up a loop, yarn over and draw through 2 loops) twice, yarn over and draw through all 3 loops on hook – 1 st decreased.

NOTES:

1. Cardigan is made from 5 pieces: Back, 2 Fronts, and 2 Sleeves.
2. The Back is worked in one piece
3. Each of the Fronts begins by making 6 Granny Squares and 1 Half Square. The Squares are sewn together, then sts are picked up along the edge to work the rest of the Front.
4. The lower portion of each Front is worked separately, then sewn to the Front.
5. The Sleeves are worked in sections.
6. The Sleeve bands are worked separately, then sewn to lower edge of the Sleeves.
7. Sts for neckband are picked up around neck and front band edges.
8. To change color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops to complete the st. Fasten off old color.
9. End with a WS row means that the last row you work should be a WS row, and the next row that you are ready to work will be a RS row.
