rayon, 35% metalized
polyester; package size:
0.67oz/19.00 gr. (75yds/67m)
pull skeins*

GAUGE:

Exact gauge is not essential to this project.

NOTES:

Select washers, found beads and other components that can fit on the needles. A few of the items we found were:

1. #10 Brass Finish Washers (great for the top end because they fit nicely around the ferrule of the needle!)
2. 1/4 inch Flat Brass Washers
3. Polymer Clay Beads
4. Hollow glass beads with large internal diameter holes (from a necklace bought at a garage sale)

KNITTING NEEDLES

1. Slide the beads onto the knitting needle, arranging them as is attractive

2. Use hot melt glue to secure the beads.

3. Trim with Microspun or Glitterspun yarn as appropriate (in the example, the black is LION BRAND Glitterspun yarn and the blue is LION BRAND Microspun yarn. You can use yarn as a spacer if the components do not fit tightly. Secure the yarn with hot melt glue.

Every effort has been made to have the knitting and crochet instructions accurate and complete. We cannot be responsible for variance of individual knitters and crocheters, human errors, or typographical mistakes.
