GAUGE

12 sts = about 4 in. (10 cm) over Rows 1-17 of pattern.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

STITCH EXPLANATION

yo (yarn over)

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.

NOTES

1. Triangle Shawl is worked in one piece beginning at center back neck, and is shaped by working yarn over (yo) increases.
2. Shawl is worked in sections of Stockinette st (k on RS, p on WS) and Garter st (knit every row). The Garter st rows will create 'ridges' on the Shawl – a super easy but interesting effect.
3. Stitch markers are used to help keep track of your sts. Don't worry too much if you have a couple of extra sts or are missing a st or two. The Shawl is worked loosely and these slight imperfections will not show!
4. A circular needle is used to accommodate the large number of sts. Work back and forth in rows on the circular needle just as if working on straight needles.
