GAUGE:

18 sts + 24 rows = about 4 in. (10 cm) in Seed st.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

kfb (knit into front and back) Knit next st without removing it from left needle, then k through back of same st – 1 st increased.

yo (yarn over)

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.

PATTERN STITCHES

Seed St (worked over an even number of sts)

Row 1 (RS): *K1, p1; rep from * to end of row.

Row 2: K the purl sts and p the knit sts.

Row 1 (RS): *K1, p1; rep from * to last st, k1.

Row 2: K the purl sts and p the knit sts.

NOTES:

1. Body of Cardi is worked in one piece to armholes, then divided and fronts and back are worked separately.
2. A circular needle is used to accommodate the large number of stitches. Work back and forth in rows on the circular needle as if working with straight needles.
3. The Sleeves are worked separately, then sewn to body. The collar is worked directly onto Cardi.
4. Tam is worked in one piece, back and forth in rows on the circular needle.
