WREATH

With craft glue, glue one end of A to back of Wreath, allow to dry. Wrap entire Wreath with A, then cut yarn. Glue cut end of A to back of Wreath.

Hanging loop

Cut an 18 in. (20.5 cm) length of A. Wrap strand around wreath and knot ends to make a hanging loop.

Loom Set-Up

Insert 2 embellishment pegs into loom, spaced about 2-3 in. (6-7.5 cm) apart to make pom-poms.

POM-POMS

Following Pom Pom Video from Lionbrand.com, make pom-poms in both 2 and 3 in. (6 and 7.5 cm) sizes, or as desired. We made 120 pom-poms total in a mix of yarn colors and sizes. For each pom-pom, we used A to tie the strands.

Trim pom poms, leaving the A tying strands untrimmed.

Arrange pom-poms onto yarn wrapped wreath, using T-pins to secure. When you're satisfied with your arrangement, tie each pom-pom in place by wrapping the tying strands to the back of the wreath. Remove T pins.

FINISHING

With the tapestry needle, weave in yarn tails on back of Wreath.

Every effort has been made to have the knitting and crochet instructions accurate and complete. We cannot be responsible for variance of individual knitters and crocheters, human errors, or typographical mistakes.
