NOTES

1. The Poncho is worked in intarsia colorwork following a chart for color changes.
2. When working in intarsia, do not carry yarns across the WS of work, use a separate ball or bobbin for each section of color. Twist yarns on WS to prevent holes. Before you begin the Back of the Poncho, wind D and F into 2 separate balls each.
3. When following charts, work in Seed st and read RS rows from right to left and WS rows from left to right.
4. The fronts are worked from lower edge up, then joined to work the back.
5. A circular needle is used to accommodate the large number of sts. Work back and forth in rows on the circular needle, just as if working with straight needles
