NOTES

1. The Wall Hangings are meant to inspire your creativity! Follow the row by row instructions to make each Hanging, though you needn't follow the pattern exactly.
2. Each Wall Hanging has embellishments and beads as trim. Instructions are given for each technique to embellish as desired.
3. To change yarn color, cut the old color leaving a long yarn tail. Begin weaving with the new color, leaving a long yarn tail. These tails will be woven in later.
4. The manual includes most of the information you need to complete your Wall Hanging and be sure to visit Lionbrand.com for step by step videos of DIY Weaver™ techniques.
