NOTES

1. Scarf is worked back and forth in rows, changing yarn color to make stripes and blocks of color.
2. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. If the color change is at the end of a row, fasten off the old color. If the color change is in the middle of a row, drop the old color and pick it up again when making the color change in the next row.
3. For those who find visuals helpful, we've included a stitch diagram and a color diagram.

Pull ends of fringe through this loop. Pull to tighten. Make 15 fringes along each of the 2 short ends of Scarf, with 3 strands in each fringe, and using colors as in following sequences and shown in color diagram: (1 fringe each of A, E, D, B, and C) 3 times evenly spaced along one short end and (1 fringe each of A, C, B, D, and E) 3 times evenly spaced along other short end. Trim fringe evenly.
