STITCH EXPLANATION

shell (2 dc, ch 1, 2 dc) in indicated st or ch-sp.

NOTES

1. Scarf is worked in one piece.
2. After Row 2, the yarn color is changed every row. When the yarn color is changed, the old color is not cut. Instead, the loop is removed from the hook and placed on a st marker so that it does not unravel. The next time a dropped color is needed, the loop is removed from the marker and returned to the hook.
3. Read instructions carefully and turn only when instructed. After Row 2, 2 rows are worked with RS facing and then 2 rows are worked with WS facing.
4. Vertical stripes are formed by working into sts "2 rows below" instead of into sts 1 row below as usual. To work into a st or ch-sp "2 rows below", work into the st or ch-sp that is in the row numbered 2 less than the row you are currently making. For example, a st "2 rows below" when making Row 5 is in Row 5 – 2 = Row 3.
5. For those who find a visual helpful, we've included a stitch diagram.

FINISHING

Fringe

Cut 18 strands of A and 24 strands of B each about 18 in. (45.5 cm) long. For each fringe, hold 3 strands of the same color yarn together and fold in half. Use crochet hook to draw fold through edge of Scarf, forming a loop. Pull ends of fringe through this loop. Pull to tighten. Make 7 fringe along each short end of Scarf, 3 A-colored fringe and 4 B-colored fringe. Trim fringe evenly.

Weave in ends.
