Version II Fringe

Cut lengths of yarns A, B, and C 4 - 7" [10 – 18 cm] long. For each fringe, fold one length in half (does not have to be folded evenly in half). Insert crochet hook to WS and back to RS through a stitch in fabric and draw fold through, forming a loop. Pull ends of fringe through this loop. Pull to tighten. Attach fringes randomly over lower 4.5" [11.5 cm] of each sleeve (or as desired). Pull ends of fringes slightly apart to create fluffy ends.

NOTE This shrug is a long rectangle, with a seamed 'sleeve' at each end. To wear, slide one of your arms into one of the sleeves, wind the remaining length of the rectangle around your body (thus crossing it), then slide your remaining arm into the remaining sleeve. The winding is done in the same manner as you would wind a long scarf around your neck.
