GAUGE

10 sts = 4 in. (10 cm) in St st (k on RS, p on WS).

BE SURE TO CHECK YOUR GAUGE.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES

1. Blanket, including borders, is knit in one piece.
2. Blanket is worked in Stockinette st (k on RS, p on WS), with 4 sts at the beginning and end of each row worked in Garter st (k every row) for borders. Stitch markers are used to separate the border sts.
3. A circular needle is used to accommodate the large number of sts. Work back and forth on circular needle as if working on straight needles.
4. Straps are knit separately and are used to secure Blanket when it is rolled for storage.
