GAUGE

14 sts = 4 in. (10 cm) over Traveling Cable pattern.

BE SURE TO CHECK YOUR GAUGE.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to match the gauge, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

yo (yarn over)

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.

NOTES

1. A circular needle is used to accommodate the large number of sts. Work back and forth on circular needle as if working on straight needles.
2. Scarf is worked in one piece with ribbing at each end and the Traveling Cable pattern for the body of the Scarf.
3. The Traveling Cable pattern can be worked by following the written instructions or by following the chart. If working from the chart, read RS rows of chart from right to left and WS rows from left to right.
4. The Traveling Cable pattern works columns of eyelets (made with yarn overs) between the cables. Sts are picked up along both sides of each eyelet column for faux cables.
5. Making the eyelets with yarn overs will increase the st count, but the count is reduced by working k2tog's or p2tog's on the following row.
6. Faux cables are created by working in St st (k on RS, K on RS) over picked up sts, then wrapping these St st sections at intervals.

Faux Cable Left Half

Make same as right half, picking up sts to the left of the same column of eyelet sts and working so that RS of St st faces the eyelets.

Rep right and left faux cable halves along all columns of eyelets.

Wrap Faux Cables

The faux cable sections will curl naturally toward the RS (the knit side).

Note: Our instructions are for working with a long length of yarn to wrap the faux cables. If you prefer, work with shorter lengths of yarn, knotting each as you finish working with it.

Cut a 90 in. (228.5 cm) length of yarn. Thread length into blunt needle. Beg at one end of Scarf, draw needle from WS to RS through first eyelet. *Wrap yarn around right faux cable, from WS to RS of band near the same eyelet, then from RS to WS of Scarf through same eyelet, then from WS to RS up through next eyelet; rep from * to opposite end of Scarf. Rep to wrap the left faux cable, then rep to wrap right and left halves of all faux cables.
