2. Two yarn colors are used on every row. Use a separate ball of yarn for each section of color.
3. Before you begin the back, wind one ball of A yarn into two separate balls. You'll need these to finish the separate color sections on the back.
4. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color.
