NOTES

1. Hat is worked in 2 parts: Band and Crown (top of Hat). Band is worked back and forth in rows, then ends of Band are sewn tog to make a ring. Crown is worked in rnds beg along one edge of finished Band.
2. Cowl is worked in 2 sections back and forth in rows, then sewn tog.
3. A ripple crochet pattern is used in Band of Hat and for Cowl. The ripple pattern is easy to do, but it's important to remember that you may need to work several rows before the ripple pattern becomes clear.
4. The yarn color is changed as specified in instructions. To change color when working Band, work last st of old color to last yarn over. Yarn over with new color and draw through all sts on hook to complete the st. Proceed with new color. Fasten off old color. To change color when working Crown, fasten off old color and join new color as instructed.
