2. Body of Afghan can be worked by following written instructions or reading Charts and Stitch Diagram. To make reading easier, 14 Charts are provided for the Body. Read the Charts in the order indicated in the Body Chart Layout Diagram.
3. For those who find visuals helpful, we've also provided diagrams for the Diamond Pattern, Diamond Decrease Pattern, Neckline Flowers and Button Trim placement.
4. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Use separate balls of yarn for each section of color. Do not fasten off old color until entire section of that color is complete.
5. When instructed to work in a st "4 rows below", work into the indicated st in the row numbered 4 less than the row currently being worked. For example, if you are making Row 13, a st "4 rows below" is in Row $13 - 4 =$ Row 9.
6. Pillow is made from 2 pieces: Front and Back.
7. Front is worked in 6 pieces: Front, 2 Eyelashes, Nose, Hair and Hair Ties. Eyelashes, Nose, Hair and Hair Ties are sewn to Front.
