### **NOTES**

1. Materials are sufficient to make multiple Doorknob Hangers.
2. Pattern provides general directions for the hangers – use these directions as a starting point, then make the hangers your own by choosing yarns and trims as desired.

### **Orange Doorknob Hanger**

Cut a few yards (meters) of yarn A. Glue one end of yarn to back of the hanger, then wrap the yarn through the knob opening in the hanger, then vertically around lower edge of hanger.

Glue the end of the yarn to the back of the hanger.

Repeat wrapping through knob opening with one strand of yarn A around top edge of hanger.

Cut a few yards (meters) of yarn B. Glue one end of yarn to back of the hanger, then wrap the yarn in slanting horizontal lines across the hanger, gluing the yarn ends as before.

Glue jewels, sequins and flower shapes onto the hanger.

### **Blue Doorknob Hanger**

Cut a few yards (meters) of yarns A, C, D, E and F. Glue one end of a yarn strand to back of the hanger, then wrap the yarn horizontally around the hanger. Glue the end of the yarn to the back of the hanger.

Repeat with other colors of yarn to make 3 or more bands of yarn.

In the same way, wrap yarn to make bands of color between knob opening on hanger and outside edge of hanger.

### **Color Knots**

Thread the tapestry needle with a strand of yarn in desired color. Tie a double knot in end of strand, then draw needle through hanger from front of hanger to back. At back of hanger, knot yarn strand again.

Repeat to make scattered knots over front of hanger.

Apply a small amount of glue to each knot to secure, then trim yarn ends.

### **Pom-poms**

Follow package directions to make small pom-poms in yarn colors as desired. Leave long yarn tails when tying each pom-pom. Knot the yarn tails about 1 in. (2.5 cm) above pom-pom.

Thread yarn tails into tapestry needle, then draw needle through from front of hanger to back along lower edge of hanger.

Knot yarn and apply a small amount of glue to secure the knot.
