NOTES

1. The Wall Hanging is meant to inspire your creativity! Follow the row-by-row instructions to make the Hanging, though you needn't follow the pattern exactly. The diagram provides an overview of the piece.
2. Pom-poms and flowers are made separately then tied to Hanging.
3. To change yarn color, cut the old color leaving a long yarn tail. Begin weaving with the new color, leaving a long yarn tail. These tails can be woven in later.
4. The manual includes most of the information you need to complete your Wall Hanging and be sure to visit Lionbrand.com for step-by-step videos of DIY Weaver™ techniques.

Loom Set-Up

Following manual instructions, insert 28 standard pegs across the top row of the loom base and 28 pegs across bottom row of loom base – 56 pegs placed for warp.

Warp

Following manual instructions for Warping, set up the warp across 56 pegs with A.

Weft

Following manual instructions for Basic Weaving, work as follows with 2 strands of yarn held together:

With E, weave 4 rows.

With B, weave 3 rows.

With J, weave 9 rows.

With I, weave 6 rows.

Begin Tapestry

Notes:

1. Follow video instructions for Tapestry Weaving for working more than one color at a time in a single row. Yarns are twisted to prevent holes in your weaving.
2. The Tapestry Chart is meant to be a guideline, have fun and get creative!

Following video instructions for Tapestry Weaving, and referring to Tapestry Chart, weave the weft.

Following manual instructions for Basic Weaving, weave the remainder of the warp with I.

Remove Weaving From Loom

Carefully lift all the loops up and off the pegs.

FINISHING

Pom-poms

Following the video instructions for making pom-poms, insert embellishment pegs into the loom base about 1 to 2 in. (2.5 to 6 cm) apart, or as desired.

With yarn colors as desired, make 5 small pom-poms.

To mix 2 yarn colors in a pom-pom, hold 2 strands of yarn together to make the pom-pom.

Trim pom-poms, leaving one long yarn tail untrimmed.
Use the yarn tails to tie the pom-poms to the Hanging.

Flowers

Following the video instructions for making flowers, make 6 flowers with A, or color as desired.

Use the yarn tails to tie the flowers to the Hanging.

Embroidery

With large blunt-eyed needle included in your kit, make big stitches with A as desired to outline fields of color on your Hanging.

Attach Hanging to Twig

Thread tapestry needle with a strand of yarn in color as desired. Knot end of strand to the top of the Hanging.

Hold the twig against the top edge of the Hanging. Loop the yarn over the twig then through the top edge of the Hanging until the Hanging is fully attached to the twig. Knot yarn.

Hanger

Thread tapestry needle with a long strand of yarn in color as desired.

Draw strand through one top corner of Hanging. Knot this end.

Draw remaining end of strand through opposite top corner of Hanging and knot.

Trim yarn ends.

With tapestry needle, weave remaining yarn ends into back of the Hanging.
