NOTES

1. Yarn amounts are sufficient to make about 10 Hangers.
2. General instructions are given for Hangers. Use colors as desired and get creative!

HANGERS

Cut lengths of yarn in colors as desired.

We used yarns A-D on one hanger, E-G on one hanger and H-J on one hanger – but feel free to mix colors as desired!

Apply strips of double stick tape over surface of hanger. Apply glue to the end of one length of yarn, then glue to hanger.

Wrap hanger with yarn, pressing yarn into tape as you wrap.

To change yarn color, glue end of old color to hanger, then glue end of new color yarn to hanger.

As you work, wrap the yarn over the glued ends to hide them.

Continue to wrap and change yarn color until hanger is completely wrapped.

Trim end of yarn and glue to hanger.

Every effort has been made to produce accurate and complete instructions. We cannot be responsible for variance of individual crafters, human error, or typographical mistakes.
