CARD

Heart

Draw a heart shape onto the felt square.

Thread the embroidery needle with A yarn and sew running stitches around the outside of the heart.

Sew a second line of running stitches inside the heart.

Don't worry about making the stitches exactly the same length – the stitches are meant to enhance the handmade look of the card!

Thread the needle with B yarn and fill in the heart shape with random straight stitches.

Glue acrylic jewels around the heart outline, filling in the spaces between the stitches.

Love

Draw the letters L - O - V - E onto the felt rectangle.

With yarn A, sew straight stitches over the L, V and E letters.

Glue a sequin onto the felt for the letter O.

Assembly

Fold pink card stock in half to measure 5 1/2 x 8 1/2 in. (14 x 21.5 cm).

Glue felt square and rectangle onto front of card.
