DOLL

Head and Body

Wrap C yarn around largest cardboard square about 30 times. Thread blunt needle with a strand of C yarn. Draw threaded needle under yarn wraps at top edge of cardboard. Pull strand tightly and knot securely.

Cut yarn wraps at bottom edge of cardboard.

Tie another strand of C yarn around yarn about 1 1/4 in. (3 cm) below top knot.

This makes the Doll's head.

Arms (make 2)

Wrap C yarn around largest cardboard square about 6 times. Cut yarn loops at bottom of cardboard – you'll have 12 strands of yarn.

With a length of C yarn, tie strands together at one end. Divide strands into 3 groups of 4 strands each and braid. At end of braid, tie strands together with another length of C yarn.

Draw braided arms through body of Doll just below neck.

Dress (make 2)

Wrap D yarn around smaller cardboard square about 15 times. Thread blunt needle with a strand of D yarn. Draw threaded needle under yarn wraps at top edge of cardboard. Pull strand tightly and knot securely.

Cut yarn wraps at bottom edge of cardboard.

Repeat to make a second dress piece.

Place one dress piece onto Doll at neck, with the tied center of dress at top of arm. Glue in place. Repeat with second dress piece.

Divide the yarn strands of the first dress piece, placing half of the strands at the front of the Doll and half at the back.

Repeat with the second dress piece. Cross the yarn strands at front and back of Doll, then wrap another strand of D yarn around Doll's waist to secure the dress.

FINISHING

Hair

Cut about 9 strands, each about 4 in. (10 cm) long of A and 6 strands the same length of B.

With a separate length of A, tie strands together at center. On each side of center knot, divide strands into 3 groups of 5 strands each. Braid groups on each side of center knot. At end of each braid, tie strands together with another length of A yarn.

Glue hair at center knot to top of Doll's head.

Trim all yarn ends.

Glue 2 small beads to Doll's head for eyes.
