About 3 in. (7.5 cm) above top of this tassel, tie another knot in the strand and add a second A tassel.

String 2 (or more if desired) beads onto strand, knotting strand before adding each bead.

Tie end of strand to dowel and adjust so that it hangs about 25 in. (63.5 cm) below dowel.

Following photo, string and add remaining tassels and beads. We staggered the lengths of the tassel strands – feel free to arrange them as you like!

Trim tassel ends evenly.

### **Hanger**
