One 8 1/2 x 11 in. (21.5 x 28 cm) sheet of green card stock
Glue on red acrylic jewels

NOTE

Yarn amounts are sufficient to decorate multiple bags.

Wreath

Cut a 5 in. (12.5 cm) diameter circle from green card stock for wreath.
Draw a 2 1/2 in. (6.5 cm) diameter circle centered in the larger circle.
Cut out the smaller circle.
Cut a few yards (meters) of yarn A and glue one end to back of wreath shape.
Wrap yarn around wreath shape to cover, then glue end of yarn to back of wreath.

Garland

Cut 3 lengths of yarn B, each about 2 yds. (2 m) long.
Knot strands together at one end, then braid. At end of braid, knot strands together.
Leaving about 6 in. (15 cm) of braid free, wrap braid around wreath. Knot end of braid to beginning, then tie ends into a bow.

Glue jewels to wreath as desired, then glue wreath to gift bag.

FINISHING

If desired, cut lengths of yarn A and wrap bag handles. Glue each end of yarn inside bag.
