GAUGE

17 sts + 15 rows = about 4 in. (10 cm) over (sc, ch 1) pattern. BE SURE TO CHECK YOUR GAUGE.

NOTES

- 1. Scarf is worked back and forth in rows in a (sc, ch 1) pattern using planned color pooling.
- 2. In planned color pooling a multi-colored ball of yarn is worked very carefully so that the different colors pool to form a specific pattern or color effect.
- 3. For a very precise pooling pattern study the colors of the sts 2 rows below the row you are currently working. For example, if you are working Row 3, look at the color of the sts in Row 1. Adjust your gauge as you work so that the first st of each color is worked one space further to the left than the first st of the same color 2 rows below (one space further to the right if you crochet left-handed). To adjust your gauge, you may find it helpful to change hook size from time to time.
- 4. For a more fluid yet still very attractive pattern, it is not necessary to study the pooling pattern and adjust your gauge.
- 5. You will begin to see the color pooling effect only after several rows have been worked.
- 6. When attaching a new ball of yarn, unwind it so that you can begin at the same point in the color sequence where the last ball ended.

SCARF

Unwind several yards of the first ball of yarn and look for the repetition of the colors. Select one of the colors as your first color. Beginning at the start of the first color, work chains until you have worked all the way through all of the different colors and the loop on the hook is the first loop of the next repetition of the first color. **Note:** If you are using suggested yarn and yarn color, there are 5 different colors in one repetition.

Row 1: Sc in 4th ch from hook (3 skipped ch count as beg ch-sp), *ch 1, sk next ch, sc in next ch; rep from * until you have worked all the way through the 2nd repetition of the colors. Stop as soon as you have worked all the way through the 2nd repetition. You will not work into all the foundation chains. The unused foundation chains will be unraveled later.

Unravel the last sc and ch-1 of Row 1.

Row 2: Ch 2 (counts as beg ch-sp), turn, sc in first ch-1 sp, *ch 1, sk next sc, sc in next ch-1 sp; rep from * to last sc, ch 1, sk last sc, sc in beg ch-sp.

Rep Row 2 until almost all yarn in both balls has been used.

Fasten off.

FINISHING

Unravel the unused foundation chains.

Weave in ends.
