STITCH EXPLANATIONS

kfb (knit in front and back) Knit next st without removing it from left needle, then k through back of same st – 1 st increased.

pfb (purl into front and back) Purl next st without removing it from left needle, then p through back of same st – 1 st increased.

NOTES

1. Poncho is worked in one piece in rnds, beg at neck.
2. Circular needles in 3 different lengths are needed to accommodate the increasing number of sts. If you're comfortable working in the magic loop technique, you'll only need the longest circular needle.
3. Poncho is worked in 8 sections. Each section is worked using different yarn colors and pattern stitches.
4. Increases are worked to shape the Poncho.
5. When working slip st patterns, always slip sts as if to purl.
6. With yarn in back (wyib) refers to the side of the work that is facing away from you as you work the row.
7. Fringe is added to the lower edge of the completed Poncho.

Pull ends of fringe through this loop. Pull to tighten. Make fringe evenly around lower edge of Poncho. Trim fringe evenly.
Weave in ends.
