STITCH EXPLANATION

V-st (V-stitch) (Dc, ch 1, dc) in indicated st or sp.

NOTES

1. Scarf is worked, back and forth in rows, in one piece.
2. Rows 1-3 are set-up rows worked with A. The vertical stripes pattern begins on Row 4 and is worked with both A and B.
3. To create the reversible pattern of vertical V-st stripes, the yarn color is changed every row and the piece is turned **ONLY** at beginning of every other row. One WS row is worked with B, then a second WS row is worked with A. Then, one RS row is worked with B, then a second RS row is worked with A.
4. Each row of the vertical stripes pattern begins with a ch-2 and ends with an hdc. Between the beg ch-2 and ending hdc, sts are worked into the sts of the same color 2 rows below. When working in a st 2 rows below, work over the strands of the other color yarn between sts one row below.
5. A st "2 rows below" is in the row numbered 2 less than the row being worked. For example, if you are working on Row 6 the st "2 rows below" will be Row 6 – 2 = Row 4.
6. When the yarn color is changed, the yarn not in use is not cut. Instead, the loop is removed from hook and elongated so that it does not unravel. The dropped loop is returned to the hook when next needed.
7. For those who find a visual helpful, we have included a stitch diagram.
