STITCH EXPLANATIONS

M1 (make 1) An increase worked by lifting the horizontal strand lying between needles and placing it onto left needle. Knit this new stitch through the back loop – 1 st increased.

ssk (slip, slip, knit) Slip next 2 sts as if to knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them together – 1 st decreased.

NOTES

- 1. Pullover is worked sideways in one piece from the left sleeve across to right sleeve.
- A circular needle is used to accommodate the number of stitches. Work back and forth in rows on the circular needle as if working on straight needles.
- 3. When binding off, sts are dropped to create a "ladder" effect.
- 4. The piece is folded in half and seamed following a diagram.
