NOTES

1. Afghan is worked in one piece beg at center and in 5 steps: Center, inner corners, inner square, outer corners, and border.
2. Center of Rug is worked in joined rnds with RS always facing. Four inner corners are worked back and forth in rows along edge of center to form a square. An inner square is then worked in joined rnds all the way around the outer edges of the piece. Read the inner square rnd instructions carefully; the work is turned at the beg of some rnds and not at the beg of others. Four outer corners are worked back and forth in rows along each side edge of the inner square. Finally a border is worked in joined rnds all the way around the outer edges of the piece.
3. Yarn color is changed each time all of the current ball has been used. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color.
4. For those who find a visual helpful, we have included stitch diagrams of the center, inner corners, inner square, outer corners, and border.
