BE SURE TO CHECK YOUR GAUGE.

NOTES

1. The Afghan is worked in one piece on a circular needle.
2. A circular needle is used to accommodate the large number of stitches.
3. The Afghan is worked in St st (k on RS, p on WS) and intarsia colorwork, following a chart and with Garter st (knit every st on every row) borders.
4. When working from chart, read RS rows from right to left and WS rows from left to right.
5. The stripes on the cupcakes are worked in stranded colorwork. Use one ball of each color yarn and carry the color not in use across the WS of the work.
6. The bakeshop goodies are worked in intarsia colorwork. Use a separate ball of yarn for each color section and twist yarns on WS to prevent holes. Wind yarn colors D and F into 2 separate balls before beginning, also wind one ball of A into 2 separate balls. Do not carry color not in use across the WS of your work.
7. Teaset handles, cherries and chips are worked separately then sewn to Afghan. The sprinkles are embroidered.
