### **Yo (yarn over)**

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right hand needle. This creates the new st. You are now ready to proceed with the next st as instructed.

### **NOTES**

1. Afghan is worked in one piece on a circular needle.
2. The circular needle is used to accommodate the number of stitches. Work back and forth in rows on the circular needle, just as if working on straight needles.
