NOTES

1. The Afghan is worked in a ripple crochet pattern. The ripple pattern is easy to do, but it's important to remember that you may need to work several rows before the ripple pattern becomes clear.
2. Two colors of yarn are used, one at a time, to make the Afghan.
3. The ripple in this design is created by skipping 2 sts to form valleys and working 3 dc all in the same st to form peaks. In each row, take care to skip the 2 sts in each valley and work 3 dc at each peak.
4. For those who find a visual helpful, we've included a stitch diagram.
