NOTES

1. Cardigan is made from 6 pieces: Back, 2 Fronts, 2 Sleeves and Collar.
2. Back, Front and Sleeves all begin with ribbing, then are worked in St st (kn RS, p on WS).
3. The Fronts are worked with rib and a cable at front opening edges. The Collar is worked in ribbing.
4. The cable patterns can be worked by following our written instructions or the charts. When working from charts, read RS rows of charts from right to left and WS rows from left to right.
5. When you see 'work in pattern as established' in the instructions, this means to work the next row of the pattern sts, lining up the sts as in previous rows.
6. When you see 'work even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.

Note:

The following corrections have been incorporated into the pattern below. We are highlighting the corrections separately here so that if you have printed out an earlier version of the pattern you'll know what was changed.

FINISHING

Zipper

Lay Right Front with RS facing onto a flat surface.

Zip the zipper closed.

Beginning at the lower edge, and with lower edge of zipper just a bit above lower edge of Cardigan, pin one edge of the closed zipper to one front edge of the Cardigan. The front edge of the Cardigan should extend to the center of the zipper teeth.

Keep the knitting flat and smooth, don't stretch or allow the knit fabric to ripple. It's okay if the top of the zipper tape extends a bit above the neck, we'll fix that later.

With sewing needle and thread, and working from the RS of Cardigan, neatly back stitch the zipper tape to the WS of the Cardigan,

Sew just inside the 2 sts at the center front of the Cardigan. Take your time and check your sewing to be sure you're allowing sufficient room for the zipper to work.

When you get to the neck edge, knot your sewing thread securely.

Repeat this process to sew the Left Front of the Cardigan to the other side of the zipper.

The front edges of the Left and Right Fronts should meet to cover the zipper. Fold any excess zipper tape to the inside of the neck edge and sew in place.

Sew shoulder seams.

Pin one long edge of Collar to neck edge of Cardigan, easing the Collar to fit. With yarn threaded into blunt needle, sew long edge of Collar to Cardigan. Fold Collar in half to the inside of the Cardigan and sew remaining long edge of Collar in place.

Sew Sleeves into armholes. Sew side and Sleeve seams.

Weave in ends.
