London's designs reflect a free-spirited, improvisational approach to yarn crafting.

London uses a slip knot and just 3 stitches in her designs – a chain stitch, a slip stitch and a single crochet stitch. Watch our how-to videos at LionBrand.com/londonkaye for how to make a slip knot and how to do each of the 3 stitches.

Remember that London's style is big loose stitches! Don't pull your yarn tightly or try for uniform, even stitches. Our diagrams show orderly stitches. Use the diagrams to plot your course, but we encourage you to go your own way and place your stitches as you like.

Our patterns are meant to inspire you to embrace your creative spirit!

KEY

	chain
	single crochet
	slip stitch

HERE'S HOW

Squares (make 13)

Step 1 With yarn color of your choice, make a slip knot onto the hook. Chain 5. Make 1 single crochet in the 2nd chain from the hook and make 1 single crochet in each of the next 3 chain – you'll have 4 single crochet stitches.

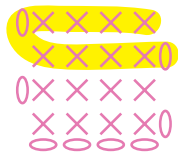

Terms

sc = single crochet

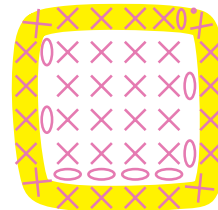

turn = turn your piece around so that the side that was facing you is now facing away from you.

Step 2 Chain 1, turn, make 1 sc in each of the 4 sc.

Step 3 Repeat Step 2 twice.

Step 4 Chain 1, turn, make sc stitches evenly spaced around the edge of the square, making 2 or more sc in each corner - you want to be sure your piece lays flat and doesn't curl up. To keep it flat, work an extra sc or 2 in each corner. When you are back at the beginning of Step 4, join with a slip stitch in the first sc.

Fasten off.
