London's designs reflect a free-spirited, improvisational approach to yarn crafting.

London uses a slip knot and just 3 stitches in her designs – a chain stitch, a slip stitch and a single crochet stitch. Watch our how-to videos at LionBrand.com/londonkaye for how to make a slip knot and how to do each of the 3 stitches.

Remember that London's style is big loose stitches! Don't pull your yarn tightly or try for uniform, even stitches. Our diagrams show orderly stitches. Use the diagrams to plot your course, but we encourage you to go your own way and place your stitches as you like.

Our patterns are meant to inspire you to embrace your creative spirit!

KEY

- chain
- × single crochet
- slip stitch

HERE'S HOW

Step 1 With yarn color of your choice, make a slip knot onto the hook and chain 24.

Make 1 single crochet stitch in the 2nd chain from hook and 1 single crochet in each of the next 22 chain – you'll have 23 single crochet.

Terms

sc = single crochet

turn = turn your piece around so that the side that was facing you is now facing away from you.

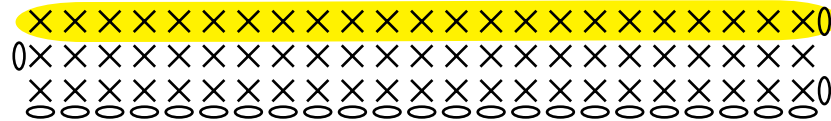

London Kage®

Step 2 Chain 1, turn, sc in each sc across.

For Step 3, change the yarn color you're working with as desired. London didn't always change color at the beginning of a step – she just changed when inspiration struck!

To change the yarn color as you work, fasten off the old color yarn. Join the new color with a slip stitch and continue with the new color.

Step 3 Repeat Step 2 until piece measures about 16 in. (40.5 cm) tall, changing the yarn color any time you like.

Fasten off.

Glue yarn ends to the back of the piece.
