London's designs reflect a free-spirited, improvisational approach to yarn crafting.

London uses a slip knot and just 3 stitches in her designs – a chain stitch, a slip stitch and a single crochet stitch. Watch our how-to videos at LionBrand.com/londonkaye for how to make a slip knot and how to do each of the 3 stitches.

Remember that London's style is big loose stitches! Don't pull your yarn tightly or try for uniform, even stitches. Our diagrams show orderly stitches. Use the diagrams to plot your course, but we encourage you to go your own way and place your stitches as you like.

Our patterns are meant to inspire you to embrace your creative spirit!
