London's designs reflect a free-spirited, improvisational approach to yarn crafting.

London uses a slip knot and just 3 stitches in her designs – a chain stitch, a slip stitch and a single crochet stitch. Watch our how-to videos at LionBrand.com/londonkaye for how to make a slip knot and how to do each of the 3 stitches.

Remember that London's style is big loose stitches! Don't pull your yarn tightly or try for uniform, even stitches. Our diagrams show orderly stitches. Use the diagrams to plot your course, but we encourage you to go your own way and place your stitches as you like.

Our patterns are meant to inspire you to embrace your creative spirit!

- × single crochet
- slip stitch

HERE'S HOW

Pupil

Step 1 With A, make a slip knot onto the hook.
Chain 3.
Join the beginning of the chain to the end with a slip stitch to make a ring.

Terms

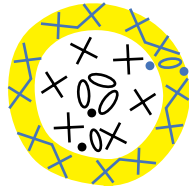

sc = single crochet

turn = turn your piece around so that the side that was facing you is now facing away from you.

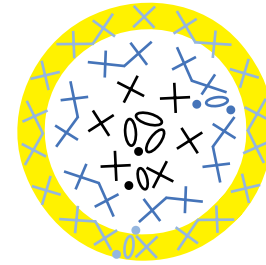

Step 2 Chain 1, make 6 sc in the ring, then slip stitch in first sc to join – you'll have 6 sc.
Fasten off.

Iris

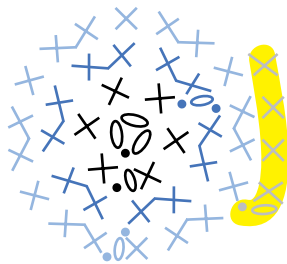

Step 3 Join B with a slip stitch in any sc of Step 2, chain 1, make 2 sc in each of the next 6 sc, slip stitch in first sc to join – you'll have 12 sc. Fasten off.

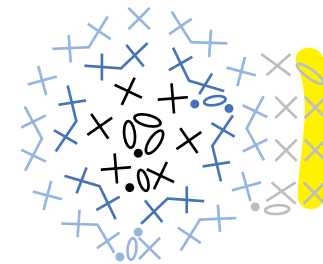

Step 4 Join E with a slip stitch in any sc of Step 3, chain 1, *make 1 sc in next sc, make 2 sc in next sc; repeat from * around, slip stitch in first sc to join – you'll have 18 sc. Fasten off.

White of the Eye

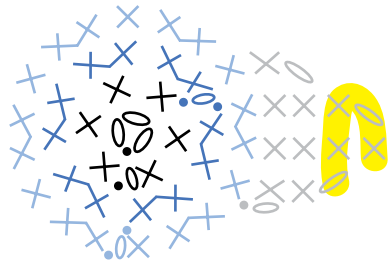

Join D with a slip stitch in any sc along edge of Step 4.

Step 5 Chain 1, make 1 sc in each of the next 4 sc – you'll have 4 sc.

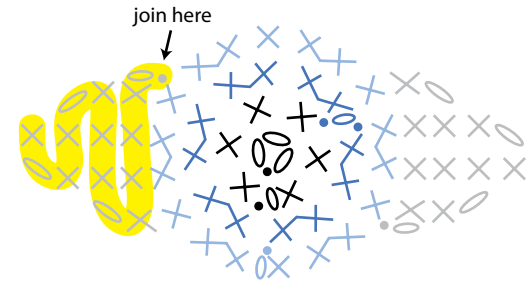

Step 6 Chain 1, turn, skip the first sc, make 1 sc in each of the remaining sc – you'll have 3 sc.

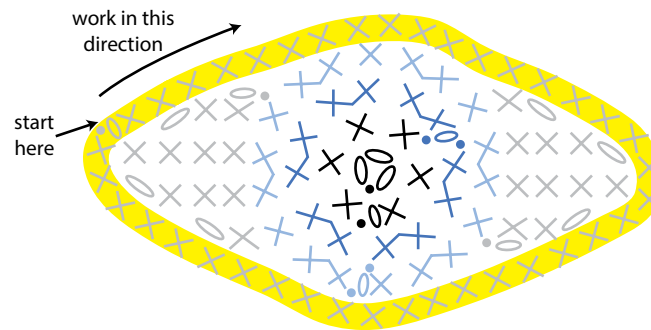

Step 7 Repeat Step 6 for 2 more times – you'll have 1 sc.
Fasten off.

To make the opposite side of the white of the Eye, skip 5 sc
on the iris, then join D with a slip stitch in the next sc.

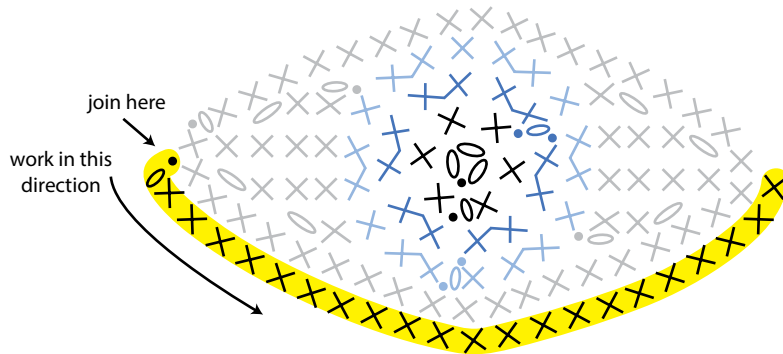

Step 8 Repeat Steps 5-7 to make the white of the eye on the opposite side.
When you've finished making this side of the white of the eye, don't fasten off.

Step 9 With D, chain 1, make sc stitches evenly spaced around the
outside edge of the Eye, slip stitch in first sc to join.
Fasten off.

Eyeliner and Lashes

Step 10 Join A with a slip stitch in one corner of Eye. Chain 1, then make sc stitches evenly spaced along lower edge up to opposite corner of Eye – making 2 sc in 1 sc if needed to keep your piece flat.

When you create the outline along the top edge of the Eye, you'll also be making lashes. London made 5 lashes – but you can make as many as you like!

Step 11 With A, make sc stitches evenly spaced along the top edge of the Eye, stopping at each point where you'd like to add a lash.

For each lash, chain 3-4 (as you like, the chain length creates the length of each lash), then make 1 sc in the 2nd chain from the hook and make 1 sc in each of the remaining chains – working back down to the top edge of the Eye.

Finish making sc stitches evenly spaced along the top edge of the Eye, adding 4 more lashes as you go. When you reach the corner of the Eye, slip stitch in first sc to join.

Fasten off.

Glue yarn tails to the back of the Eye.
