2. Each Square is worked in joined and turned rounds. Read the instructions carefully, since work is turned at beginning of only some rounds.
3. Each Triangle is worked back and forth in rows.
4. The yarn color is changed to form stripes and blocks of color.
5. After Squares and Triangles are sewn together, triangular corners are worked directly onto the Afghan edge then a border is worked around the outside edge of the Afghan.
6. For those who find visuals helpful, we've included stitch diagrams.
