### **NOTES**

1. Shawl is made in one piece, beginning with a triangle.
2. After the first Triangle is made, sts are picked up along edge(s) of previous Triangles to begin the next Triangle.
3. All Triangles are worked back and forth in rows and shaped with decreases.
4. Refer to our diagram to clarify the construction of the Shawl.
5. A circular needle is used to accommodate the sts. Work back and forth in rows on the circular needle as if working on straight needles.
6. After the first few rows, the yarn color is changed every 4 rows to make stripes.
7. To create neat edges, the first st of every row is slipped and the last st is purled. Slip sts as if to purl or as if to knit, whichever you prefer.
