### **NOTES**

1. The Afghan is worked in one piece, back and forth in rows, with 6 colors of yarn.
2. The yarn color is changed each time you finish an entire cake of one yarn color. You can change yarn color mid-row – you don't need to wait until you begin a new row.
3. To change yarn color, work last st with old color until 2 loops remain on hook. Yarn over with new color and draw through all loops to complete the st. Proceed with new color. Fasten off old color.
4. The chain 3 at the beginning of every row is a turning chain and does not count as a stitch.

### **AFGHAN**
