NOTES

1. Cardigan is made from 5 pieces: Back, 2 Fronts, and 2 Sleeves.
2. Circular needles are used to accommodate the number of sts. Work back and forth on the circular needle as if working on straight needles.
3. Each piece is worked back and forth in rows of Lace pattern.
4. Each row of all 5 pieces begins with a slip st and ends with a purl st for selvages. Selvedge sts create a neat edge for seaming. When the pattern tells you to slip a st, slip as if to knit or as if to purl, whichever look you prefer.
5. The Back is about 4 in. (10 cm) longer than the Fronts.
6. Lace pattern can be worked by following written instructions or reading the chart. Read RS rows of chart from right to left and WS rows from left to right.
7. When you see 'work in pattern as established' in the instructions, this means to continue in the current pattern st, lining up sts as in previous rows.
8. When you see 'work even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.
