NOTES

1. Cardigan is worked in 3 pieces: Body and 2 Sleeves.
2. All pieces are worked from side to side to form vertical stripe pattern.
3. Body is worked in one piece, leaving openings for armholes.
4. Sleeves are worked separately and sewn into armholes.
5. Yarn color is changed following a Stripe Sequence. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Fasten off old color.
6. When you see 'work in pattern as established' in the instructions, this means to work the next row of the pattern, lining up sts as in previous rows.
7. When you see 'work even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.
8. For those who find a visual helpful, we've included a stitch diagram.
