<u>NOTES</u>

- 1. Wrap is worked in three pieces, back and forth in rows: a central panel with two side panels and seamed along the central panel.
- 2. An applied I-cord edges the neck edge. Fringe is knotted along the cast-on edges of the side panels and central panel.
- 3. A circular needle is used to accommodate the large number of stitches. Work back and forth in rows on the circular needle as if working on straight needles.
- 4. Stitch markers are used to separate the cable patterns. Count the sts between markers frequently to ensure that you maintain the correct number of sts for each cable pattern. Slip markers every row.
- 5. The cable patterns can be worked from written instructions or by following the charts. When working from charts, read RS rows from right to left and WS rows from left to right.

WRAP

Central panel (center back)

With shorter circular needle and long tail method, cast on 95 sts. Knit 5 rows, end with a WS row as the last row you work.

Row 1 (RS): K1 (for edge st); work chart A across 20 sts, place marker, work chart B across next 53 sts, place marker, work chart C across 20 sts to last st, k1 (for edge st).

Keeping 1 st at each end in Garter st (knit every st on every row), work pattern as established until 108 rows completed [this is 4 1/2 repeats of chart B, piece should measure about 16 in. (40.5 cm) from beg]. Bind off all sts in pattern.

Right side panel

With shorter circular needle and long tail method, cast on 97 sts. Knit 5 rows, end with a WS row as the last row you work.

Row 1 (RS): K1 (neck edge); work chart A across 20 sts, place marker, work chart B across next 53 sts, place marker, work chart C across 20 sts to last 3 sts, k3 (Garter border, side edge).

Keeping 1 st at neck edge and 3 sts at side edge in Garter st, work pattern as established until 144 rows completed [this is 6 full repeats of chart B, piece should measure about 21 in. (53.5 cm) from beg].

Knit 5 rows,

Bind off all sts.

Left side panel

With shorter circular needle and long tail method, cast on 97 sts. Knit 5 rows, end with a WS row as the last row you work.

Row 1 (RS): K3 (Garter border, side edge); work chart A across 20 sts, place marker, work chart B over next 53 sts, place marker, work chart C across 20 sts to last st, k1 (neck edge).

Keeping 3 sts at side edge and 1 st at neck edge in Garter st, work pattern as established until 144 rows completed [this is 6 full repeats of chart B, piece should measure about 21 in. (53.5 cm) from beg].

Knit 5 rows.

Bind off all sts.

FINISHING

Lay pieces onto a flat surface. Spray with water, then smooth pieces into place. Allow to dry.

Sew right and left side panels to sides of center panel. Weave in ends.

Neck edge

From RS with longer circular needle, pick up and knit 102 sts evenly spaced along right panel, 94 sts across center panel, 102 sts along left panel, break yarn -- 298 sts.

With double pointed needle, cast on 3 sts and transfer these sts to the right end of the longer circular needle.

Work 3-stitch I-cord as follows: *K2, k2tog through the back loop, slide sts to right end of circular needle and repeat from * until 3 sts remain.

K3tog and fasten off.

Cut yarn, leaving a long yarn tail. Weave tail into I-cord to conceal the end.

Fringe

Cut 276 strands of yarn 25 in. (63.5 cm) long for outside edge and 24 strands 27 in. (68.5 cm) long for corners.

Along 3 outside edges: *Fold 3 strands in half, with crochet hook draw folded end through Garter border. Pull strands through. Repeat from * about every 1 in. (2.5 cm), except in corners.

In corners, use twelve 27 in. (68.5 cm) strands.

After all fringes are attached, divide each group of 6 strands into 2 groups of 3 strands. Knot 3 strands from one group together with 3 strands from adjoining fringe, about 2 1/2 in. (6.5 cm) from edge of Wrap.

Repeat the process once more, knotting about 5 in. (12.5 cm) from edge of Wrap.

Trim fringe ends evenly.

Weave in ends.
