GAUGE

18 sts + 30 rows = about 4 in. (10 cm) in Slip St pattern.

BE SURE TO CHECK YOUR GAUGE.

NOTES

1. The Apron is worked in one piece in an easy 2 color Slip St pattern
2. A circular needle is used to accommodate the number of sts. Work back and forth in rows on the circular needle as if working on straight needles.
3. The waistband and ties are worked directly across the top edge of the Apron, the pocket is worked separately and then sewn to the Apron.
4. The Slip St pattern can be worked by following our written instructions or the chart. When working from the chart, read RS rows from right to left and WS rows from left to right.
5. With yarn in front (wyif) refers to the side of the work facing you as you work the row. To move yarn from front to back or back to front, bring yarn between needles. Take care not to wrap yarn over a needle, this could create an additional st.

APRON

With A, cast on 76 sts.

Knit 3 rows for lower edge border.

2 Color Slip St pattern

Note: There is no need to cut yarn between color changes, just carry the color not in use along the side edge of piece.
