STITCH EXPLANATIONS

picot Ch 3, sl st in 3rd ch from hook.

sc2tog (sc 2 sts together) (Insert hook in next st and draw up a loop) twice, yarn over and draw through all 3 loops on hook – 1 st decreased.

NOTES

1. 4 Clouds, 5 Raindrops, 1 Sun, and a Rainbow are each worked separately.
2. The embroidery hoops are tied together to make the mobile and then pieces are tied to hoop frame.
3. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Fasten off old color.
4. The gauge is meant to be a bit tight – this helps keep the stuffing from poking through.

FINISHING

JOIN HOOPS

Place the smaller hoop inside the larger hoop.

Cut a length of A.

Knot one end of length to the larger hoop, wrap around hoop a few time, then loosely tie to smaller hoop.

Adjust size of the yarn length as desired, then untie yarn from smaller hoop.

Once you've determined length you'd like, wrap and then knot the yarn length to the smaller hoop.

Cut strands of yarn in colors and lengths as desired.

Tie one end of each length to top of each Clouds, Raindrops, Sun, and Rainbow.

Attach each of these pieces to mobile by wrapping end of each yarn length around the hoop a few times and then knotting.

Don't trim the ends of the yarn lengths, you'll use them to make the hanging loop.

HANGING LOOP

Bring the ends of the yarn lengths to the center above hoops.

Fold ends of strands to make a loop, then wrap with another length of yarn to secure and hide ends.

Weave in ends.
