

## Huka Washable Lab Gown Long Sleeve

MX0104

When you really have to protect yourself and get “fully enclosed” what you need is the Huka gown. The gown name was inspired by the Huka Falls in the central North Island of New Zealand - it will protect from the liquids and matter in your laboratory or workplace.

Full front and back protection with below knee coverage and long sleeves with cuff. 2 fabric ties for closure at neck and adjustable waist.

In our hospital grade Hercules Polycotton - named after its strength, this fabric is comfortable, easy care and commercially launderable at high temperatures.

- 65% Polyester / 35% Cotton
- Commercially launderable
- Long sleeves with knitted cuff
- High neck
- 2 self fabric ties at back
- Unisex fit
- MOQ of 4 for Colours other than White
- Suitable for Medical professionals, Laboratories, Clinics
