PATTERN NOTES:

Scarf is worked end to end using intarsia colorwork in garter stitch. To prevent holes at color changes, yarns should be twisted once – to change color on a RS row, bring the old color over the new color to the left and pick up the new color on the right from underneath to begin the next stitch; to change color on a WS row, bring the old color to the front of the work (the new color will already be there) and over the new color to the left, then pick up the new color on the right from underneath and bring it to the back of the work to begin the next stitch.

PATTERN:

With CC1, CO 54 sts.

Begin color chart or follow written instructions below. Chart begins at bottom right corner, row 1. Each row of the chart counts as 2 rows of work – odd/RS rows are worked right to left, and even/WS rows are worked left to right. Chart is broken into three parts for ease of reading.
