## PROLUXE

## Reduce Prep Time

This versatile unit is perfect for sheeting all types of dough including
pie crusts, tortillas, pizza dough, pitas, and more. This counter-top dough roller features a dual pass design for fewer runs through the machine and a consistent product.

Two Pass Dough Roller

## More Efficient

A single operator can roll out up to 250 pieces per hour. A simple "on/off" provides easy operation, and rubber non-skid legs ensure the unit stays securely in place during use.
